Write a paragraph of 10 sentences on "My School" using the following hints.

Use correct punctuation, grammar and spelling.

Name of my school; Spacious building; Number of students and teachers; Big playground; Big and beautiful school.

The name of my school is Govt Saleem Model School. It is in the heart of the city. It has a grand building. It has two storeys. There are about thirty rooms in my school. All the rooms are neat and clean. They are white washed. Every room has a ceiling fan. They are well lighted. It has a big hall. There is a big library in it. There is a science laboratory in it. There are two play grounds in my school. Nearly 600 students study here. There are 30 teachers in it. I am proud of my school.

Write a story using the following hints. Write down a suitable title and moral of the story. Use correct punctuation, grammar and spelling.

A hungry dog ... stole a piece of meat ... saw his reflection in a stream... thought the dog in reflection has a piece of meat... barked at its own reflection ..... lost his own piece of meat.

## A Greedy Dog

Once there was a greedy dog. It was hungry. It went to a butcher's shop. The butcher threw a piece of meat to it. The dog took it in its mouth. It started to go to the river. While crossing the bridge it saw its own reflection in the water. It took that as another dog with a piece of meat in its mouth. It wanted to get that piece also. So it barked. Its own piece of meat fell into the water. It lost its own piece and went away repenting.

Moral: Greed is a Curse.

21st Mar., 2015

My dear Friend,

Assalam-o-Alaikum! I am going to visit "Shahi Qila" with some of my friends. You know my hobby is photography but my camera is out of order.

I hope you will lend me your camera. I shall keep it with great care and return it as soon as I come back.

With best wishes.

## 29(a) Translate the following passage into Urdu OR rewrite the following passage into simple English.

Thomas Elva Edison did amazing things at a very young age. There are almost one thousand inventions to his credit. He invented thousands of big and small things of daily use. None of his inventions made him so popular as the gramophone. People called it "The talking machine". There is no doubt that Edison was one of the greatest scientists of our age.
